

"Middleport's License to Produce"

Producing the best quality product, safely and in an environmental-friendly manner.

Quality and wellness for people's safety and the environment is the responsibility of every Middleport employee.

Quality is not limited to the products we produce and sell; it focuses on everything we do to maintain our competitive edge.

Quality, as a core value, stands together with safety, health, environmental stewardship, and customer service.

All aspects of the way we do business will have a customer focus – both internal and external.

When we receive a customer complaint or incur a safety or environmental incident, each will be investigated and corrective and preventive actions taken.

Our products are safely and environmentally- friendly formulated to ensure compliance with all specifications and regulatory standards, without risk for contamination.

Middleport employees are committed to the continual improvement of wellness for people's safety, the environment and quality of our processes by:
